Waterford Family Support  
Drop In Service

## Do you need some guidance and support about your child or teenager?

If so, Tusla Child and Family Agency in Waterford are providing a free and confidential drop in service across the city and county for Parents/Grandparents and Carers to discuss a concern or issue they have about their child.

## What issues are looked at?

We can provide help and support on a range of issues affecting children from 0-18 years. This could include baby basics, behavioural difficulties, parenting dilemmas, issues in school, relationships, concerns around drugs and alcohol etc. We can't promise we can solve every issue but we will do our best to help or signpost you to the most appropriate service who can.

## How can I find out more?

For more information and to find out the dates, times and venue of the drop in service please contact us on: **051 859001**
